

# SEND National Crisis Birmingham

Birmingham  
Victoria Square  
30th May 12 - 3pm

There are events planned across the UK on 30th of May to raise awareness of failings of those with SEND, their families and education settings who are expected to provide an appropriate education on continuous budget cuts.

We would like to invite parents, carers, young people, families, school staff and friends to take part in our day of inclusive and collaborative, celebration of SEND children and protest at the cuts.

Music, singing, signing and playing!  
Come and help us make our voices  
heard in a unique and celebratory way.  
Our SEND kids are amazing, don't let  
the government fail them!

## Our Aims

We want to celebrate our amazing children with SEND and all that they can achieve, given the right provision and opportunities

We want to highlight the crippling, real term funding cuts experienced by schools as a direct result of under funding by central government.

We want to raise awareness of the many challenges that children with SEND, their families and schools experience.
